NOTES & ORDERS

Of late, it has been observed that the references of administrative and financial nature such as interpretation on Establishment related issues, RTI queries, issuance of bills, etc., are sent for legal opinion to the Legal Section. It is further observed that many times, such issues are well within the administrative control of the concerned HODs and does not involve any interpretation of the law.

HODs are, therefore, requested that only specific queries, which involve the question of law and having legal angle, may be sent to Legal Section with specific proposal/opinion of the Department for vetting and/or advice.

The above instructions may be noted for compliance and brought to the notice of all concerned.

This has approval of the Chairman, KPT.
