**OFFICE MEMORANDUM**

To

All Chief Vigilance Officers/PSUs

Sub: Grant of interest free mobilization advance.

Sir,

It has come to the notice of this Commission that PSUs are stipulating payment of interest free mobilization advance in their tenders. Many times mobilization advance is allowed after acceptance of tender also. The amount of mobilization advance thus paid to the contractor is prone to be used by him for building his own capital or for the purpose other than the one for which it is disbursed. For big projects mobilization advance of 5 to 10% stipulated in the contract works out to a huge amount and the contractor is likely to be benefited with interest free amount to a very big extent. Normally while preparing justification, elements of gain in terms of interest on capital investment by way of mobilization advance is also not considered and thus the contractor gets higher rates than that may be justified. In case there is a delay in commencement of work the contractor is likely to get undue benefit by way of retention of huge money.

2. It is, therefore, desired that adequate steps may be taken to ensure stipulation of mobilization advance only for selected works and advance should be interest bearing so that contractor does not draw undue benefit. Timely execution/completion of all projects is an essential requirement and the contractor would like to draw interest bearing mobilization advance only when he needs to maintain his cash flow.
