No. KPC/4001-VI/627

CIRCULAR

Dated : 27 May, 2013

It has come to the notice that in a recent case, a tender for procurement of certain item has been floated with a pre-qualification criteria which could not be fulfilled by any of the tenderers and hence the proposal was moved to scrap the tender process and re-invite tender with modified pre-qualification criteria by exactly reducing the criteria by 50% in terms of experience. The pre-qualification criteria in this case has been stipulated as per para 5 (A) of the CVC's O.M. No. 12-02-1-CTE-6 dated 17.12.2002 (copy enclosed) which is incorrect because the same is applicable for Civil and Electrical Works. In this case, para 5(B) of the said CVC O.M. should have been adopted, which relates to purchase.

All HODs are requested to take note of the above and also instruct the divisional officers so that instances of the above nature could be avoided in future.

This has the approval of Chairman.

All HODs

Chief Vigilance Officer
